

Modular Healthcare System

Surgical Scrub Stations

ABOUT US:

- We are a team of Engineers having vast experience in the medical engineering field, and are dedicated towards offering products which are highly precise and well engineered. The pre-engineered Modular operation theatre not only solves the problem but also facilitates speedy construction, high quality finish in prevention of contamination build up, long durability, robust and flexible designs for future expansion, ease of maintenance, etc.

We also excel in providing Hospital design, Modular ICU, NICU, IVF Rooms, Hospital Furniture, Medical Gas Pipeline system and service support in the repair and maintenance of Medical & Hospital Equipment of any make. We also provide annual maintenance contracts for Modular O.T. & I.C.U. equipments. Our excellence in all spheres of our operations has made us a renowned name in the medical field.

- Complete Hospital Solution under one roof.

- Company is ISO9001:2008 certified and its products are CE marked apart from the other certifications.

WHY US:

- 1. Wide experience in Hospital equipments, more than 7 years in Modular OT & Hospital Products and 18 years in various Industries.***
- 2. In house design & development team of experienced Engineers.***
- 3. Wide range of Products with Customized Product design.***
- 4. Own Manufacturing unit in working area 4843 sq feet.***
- 5. Working staff of more than 15 technical Staff.***
- 6. Quality Products as per International Standards.***
- 7. On Time delivery.***
- 8. All India installations with sales & service support.***

SURGICAL SCRUB STATIONS:

1. STANDARD SURGICAL SCRUB STATION- 1Bay/ 2Bay/ 3Bay with Thermostatic automatic mixer & Manual mixer.

- A. Sensor + Foot Operated
- B. Sensor Operated
- C. Sensor + Elbow Operated
